

KEY FEATURES

- **MILWAUKEE-EIGHT® 107 ENGINE:** A powerful, smooth-running engine with crisp throttle response and a pure, soul-satisfying rumble.
- **H-D™ CONNECT SERVICE:** With subscription-based cellular connectivity, you can connect to your bike through your smart phone using the latest version of the Harley-Davidson® App. Check your bike's vitals including fuel level, get tamper alerts and stolen-vehicle tracking, and more.
- **REFLEX™ LINKED BREMBO® BRAKES WITH STANDARD ABS:** Designed to help prevent the wheels from locking under braking to assist the rider in maintaining control when braking in a straight-line. ABS operates independently on front and rear brakes to keep the wheels rolling and help prevent uncontrolled wheel lock in urgent situations.
- **REFLEX™ DEFENSIVE RIDER SYSTEMS (OPTIONAL):** A new collection of technologies that help give you confidence and control in less-than-ideal situations. The systems utilize advanced chassis control, electronic brake control and powertrain technology to assist you with accelerating and braking in a straight line or while in a turn. (Additional fees apply when selected.)
- **BOOM!™ BOX INFOTAINMENT SYSTEM:** The BOOM!™ Box 4.3 Radio comes standard. To enhance your riding experience, and connect with the world, upgrade to the BOOM!™ Box GTS infotainment system. Its evolved interface experience offers a modern look, feel and function. It's exceptionally durable and loaded with features designed specifically for motorcycling.
- **FRAME-MOUNTED SHARK NOSE FAIRING:** A distinctive, menacing, mile-hungry design that cuts through the wind like no other fairing in the world.
- **DUAL DAYMAKER® REFLECTOR LED HEADLAMPS:** Darkness-defying headlight so you can see and be seen.
- **RESPONSIVE SUSPENSION:** High-performing front and rear suspension with easily adjustable rear shocks put you in control of a plush ride.

TECHNOLOGY: BOOM!™ BOX 4.3 INFOTAINMENT SYSTEM
